## Personal Statement

I am a freelance illustrator and writer who was originally trained in 2D animation. The last two years I have worked on updating my drawing and technical skills in the hopes of entering the animation industry.

## Work History

2018 – 2019 Freelance Illustration

Created traditional and digital illustrations per client specifications. Illustrations included roughs, revisions, and final color art delivered digitally. Projects varied from spot illustration, full page illustrations and children's book illustration.

2008 – 2018 Blogging and Content creation at HighlightsAlongtheWay.com

Clients include Oshkosh, LEGO, Disney, DreamWorks, Whole Foods, and more. Storytelling featuring client's new products and promotions including everything from movie junkets to photography, printable creation, and all aspects of social media promotion of content creation.

2003 – 2008 Freelance Caricature Artist

Worked as an artist for hire at private events, parties, and promotions for a variety of companies and private clients.

1999 - 2003 Kaman's Art Shoppes

Caricature artist for Legoland CA, Knott's Berry Farm, and private events.
